

JUNIO, Mes del Sagrado Corazón

La devoción al Corazón de Jesús ha existido desde que los primeros cristianos meditaban sobre el costado y el corazón abierto del Señor. Por otro lado, el 16 de junio de 1675 Jesús le pidió a una santa que alentara la devoción a su Sagrado Corazón.

Ese día, el Hijo de Dios se le apareció en Francia a Santa Margarita María de Alacoque, religiosa francesa de la Orden de la Visitación de Santa María, y le mostró su Corazón.

JUNE, Sacred Heart Month

Devotion to the Heart of Jesus has existed since the early Christians meditated on the side and open heart of the Lord. On the other hand, on June 16, 1675, Jesus asked a saint to encourage devotion to his Sacred Heart.

That day, the Son of God appeared in France to Saint Margaret Mary of Alacoque, a French religious of the Order of the Visitation of Saint Mary, and showed her his Heart.

Pope Francis
Audiencia General 5/31/23
The venerable Mateo Ricci

Dear brothers and sisters:

In our continuing catechesis on apostolic zeal, we now turn to Matteo Ricci, one of the early Jesuit missionaries to the Far East, who fulfilled the dream of Saint Francis Xavier and entered China. Father Ricci patiently mastered the difficult Chinese language and immersed himself in the country's culture. Thanks to his writings in Chinese and his knowledge of mathematics and astronomy, Matteo Ricci became known and respected as a sage and scholar. His vast learning and his ability to engage in sincere and respectful dialogue were employed in the service of the Gospel, which he made known not only in his writings but by his example of religious life, prayer and virtue, which attracted many of his Chinese disciples and friends to embrace the Catholic faith. Matteo Ricci was the first foreigner permitted by the Emperor to be buried on Chinese soil. In our day, Father Matteo Ricci can serve as an outstanding model for the inculturation of the Gospel. He also remains an inspiration for relations between the Church and China, and for dialogue between the cultures of East and West in the service of peace and fraternity among peoples.

Papa Francisco
Audiencia General 5/31/23
El venerable Mateo Ricci
Queridos hermanos y hermanas:

En esta audiencia presentamos a otra figura del cielo apostólico, Mateo Ricci. Muchos intentos de llegar a China habían fracasado y Mateo tuvo la intuición de prepararse cuidadosamente aprendiendo la lengua y las costumbres chinas, antes de afrontar su misión. Y esto le permitió entrar en el territorio y con paciencia irse acercando a la capital. Vestido como un erudito, gracias a grandes colaboradores también chinos, fue capaz de ganarse el respeto de todos y hacer llegar el mensaje de Cristo a sus contemporáneos, a través de su vida de piedad y de sus enseñanzas. Dos recursos, por así decirlo, tenía para conseguir este propósito: por un lado, una *actitud de amistad* hacia todos, unida a una *ejemplaridad de vida* que causaba admiración; por otro, una *vastísima cultura* que era reconocida por sus contemporáneos, y que además supo conjugar con un estudio de los clásicos confucionistas, presentando así el mensaje cristiano perfectamente inculturado.
